

IMMIGRANT & MULTICULTURAL SERVICES SOCIETY OF PRINCE GEORGE

STAY HOME & STAY SAFE

IMSS' Office is closed but services continue

Dear Friends,

All the IMSS clients, members, newcomers, volunteers, staff, and the board members, please take proper and effective measures to safeguard yourself and your loved ones against COVID-19.

IMSS is committed to helping you and will do our best to assist you during this time. You can reach out to us if there is any need.

As of March 24th 2020, our office will be closed until further notice; we want to ensure you all that IMSS is committed to providing ongoing support during this difficult time. We are deeply committed to our community.

However, our services--settlement services, employment services, English Classes, career development counselling, youth leadership program, women & seniors program, and work with the school system--will continue with our staff working out of home and connecting with clients by phone, email or virtual tool. IMSS has decided to close the Childminding program because we are unable to provide services at the IMSS site.

IMSS encourages everyone to practice social distancing right now; IMSS also encourages you to stay connected with your friends and family by social media. Take care of yourself and take care of those around you.

If you need up-to-date information about the COVID-19 situation, contact these trusted sources: [Public Health Agency of Canada](#), [BC Ministry of Health](#), and [BC Centre for Disease Control](#).
